[redacted]

Mr. Larocque noted that SE-10 was to be given regular distribution and not confined to distribution normally given NIE's.

Colonel Hansen reported that:

- a. [redacted] had an appointment with Larry Houston to discuss the [redacted] case. [redacted] is to be informed that this case is the responsibility of the Department of Defense and will be referred to the JAG. In this connection, Colonel Hansen noted that we had "broken off" correspondence with General Donovan on this matter.
- b. He would speak to Mr. Jackson and suggest that he lecture at the Army War College, Carlisle, Pa.

Mr. Reber stated that:

- a. OIC had "gone into" our external research problem and was making good progress in bringing this matter together.
- b. In his opinion there is failure on the part of the intelligence community to disseminate finished intelligence. He cited an example of several papers
